- 30th July to 3rd August – Women Competition
- 31st July to 3rd August – Men Competition

1.2. Competition Format & Number of participating teams

The total number of teams participating in the Main Draw is 32 per gender. There is no preceding Qualification Tournament.

In its early stages, the competition will be played in a 32-team Modified Pool play format. The 1st, 2nd and 3rd ranked teams from each pool will advance to a 24-team Single Elimination phase, as determined in the CEV Beach Volleyball Guidelines.

The Main Draw for each gender is composed in line with the CEV Beach Volleyball Competitions Regulations and CEV Beach Volleyball Guidelines as follows:

- Minimum 23 and maximum 25 foreign teams respecting the country quota of maximum 4 teams from the same National Federation per gender through the EuroBeachVolley Entry Ranking
- The top 3 registered Host Country teams according to the EuroBeachVolley Entry Ranking irrespectively of their ranking as of June 30, 2025
- Up to 2 more Host Country teams if these are amongst the top 28 teams in the EuroBeachVolley Entry Ranking as of June 30, 2025
- 1 Host country team that will qualify through a National Qualifying process
- Maximum 3 Wild Card teams. The National Federations need to present their request for Wild Cards to the CEV Office at the latest by the registration deadline day and time using the BV-02 form. The allocation of Wild Cards, if any, will be circulated through the event's Confirmed Lists.

In case less than three Wild Cards are awarded, the remaining Main Draw spot(s) will be allocated to the next eligible team(s) according to the EuroBeachVolley Entry ranking as of June 30, 2025 and considering the country quota regulation.

1.3. Right of Participation

A player wishing to take part in a CEV competition must possess the nationality of the country they intend to represent and must fully comply with the requirements set in the FIVB Sport Operations manual. In addition, each player needs to have the following documentation completed/updated on their VIS profile:

- Players Commitment & Health Certificate form as per the CEV instructions.
- Certificates confirming the successful completion of the FIVB "Play Clean" anti-doping course and of the FIVB e-learning course on the Prevention of Competition Manipulation.

Only players not suspended by CEV and/or FIVB are allowed to participate in the competition.

1.4. Registration & Allocation of teams

National Federations have to register their teams through the Volleyball Information System (VIS) prior to the registration deadline, which is a precondition to be tentatively admitted to any Beach Volleyball competition. Details of the registration procedure can be found in the CEV Beach Volleyball Guidelines.

The registration deadline for CEV EuroBeachVolley 2025 is set for Monday, June 30th, at 15:00 CEST.

Teams will be allocated to the Main Draw and to the Reserve List of the competition, according to the EuroBeachVolley Entry Ranking points as of Monday, June 30th, 2025. This allocation follows the CEV Beach Volleyball Competitions Regulations, taking into consideration the Country Quota rule.

Country Quota limitations may be voided in case the roster of teams registered for the event or present during the Preliminary Inquiries/Technical Meetings is not complete and late additions to the Main Draw are required.

1.5. EuroBeachVolley Entry Ranking & Seeding

The EuroBeachVolley Entry Ranking is established as the sum of ranking points of the 2 registered athletes accumulated from the best six (6) finishes over the period from after the last EuroBeachVolley and up to the registration deadline as set in point 1.4 of this document.

A drawing of lots will determine the allocation of teams across the pools for the Pool play format phase according to the EuroBeachVolley Entry Ranking as of Monday 30th of June 2025, following the below table:

Pool A	Pool B	Pool C	Pool D	Pool E	Pool F	Pool G	Pool H
Seed #1	Seed #2	Seed #3	Seed #4	Seed #5	Seed #6	Seed #7	Seed #8
Draw 2 between Seed #13 - #16				Draw 1 between Seed #9 - #12			
Draw 3 between Seed #17 - #20				Draw 4 between Seed #21 - #24			
Draw 5 between Seed #25 - #32							

If the hosting National Federation has no team among the top 8 seeded teams, the best-ranked team of the Federation will be allocated to Seed 8 to help the promotion of the competition; if the best hosting National Federation ranked team is among the top 8, the team retains its position.

The date and venue of the Drawing of Lots will be communicated through future Official Communication and/or Practical Info documents.

The detailed competition schedule will be communicated following the Drawing of Lots.

1.6. Substitution of a Player

Before the registration deadline, a National Federation may substitute a player from a team through the VIS for any CEV competition, without any consequences.

After the Registration deadline, a National Federation may substitute only one player per team from a CEV competition in case of injury/medical reason or “force majeure” through the [CEV BV-03 form](#); respective proof or documentation must be presented to the CEV.

In case of such substitution, the new team’s ranking points as of **Monday, June 30th**, are taken into consideration for the new team’s position in the updated entry list. The new team is then placed into the Main Draw or Reserve List accordingly.

If there is a replacement of a player after the release of the confirmed entry list, and before the Drawing of Lots, the new team’s ranking points as of **Monday, June 30th**, are taken into consideration for the new team’s entry in the Main Draw or Reserve List. In case the new team moves down to the Reserve List, the first team on the Reserve List (considering country quota limitations) becomes eligible to enter the Main Draw.

If there is a replacement of a player after the Drawing of Lots the new team’s ranking points as of **Monday, June 30th**, are taken into consideration for the new team’s entry. The new team is then placed into the Main Draw or Reserve List accordingly:

- In case the team remains in the Main Draw, the position in the pool will be maintained.
- In case the team moves down to the Reserve List, the next team on the Reserve List (considering country quota limitations) becomes eligible to enter the Main Draw in the vacant position in the respective pool.
